

III. Remarks

Claims 2-12 will be pending after entry of the present paper. Claims 1-34 were previously pending. Claims 1 and 13-34 are canceled by the present paper without prejudice to or disclaimer of the subject matter therein. In that regard, Applicants expressly reserve the right to pursue such subject matter in other continuation and/or divisional applications. Since claims 1 and 13-34 are canceled by the present paper, the rejections of these claims are moot and will not be addressed at this time.

Applicants appreciate the indication that claim 12 is allowable. To that end Applicants have rewritten claim 12 in independent form incorporating all of the limitations of its base claim. Further, Applicants have amended claims 2-11 to depend from and further limit claim 12. Accordingly, Applicants submit that all of the pending claims (claims 2-12) are in condition for allowance. Accordingly, a formal indication of allowability is respectfully requested.

Respectfully submitted,
